G.O. No. 2847 P.H

Dated 20-8-47

[Despatch Abstract.]

MALARIA : TUNGABHADRA PROJECT : CANAL AREA : MALARIA CONTROL AND SANITATION WORK : ADDITIONAL STAFF : SANCTIONED.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

Note for the Cabinet.

Sub: MALARIA - Tungabadra Project - Canal area - Sanitation and Malaria control - Additional - Staff - Proposals.

In G.O. No. 1556 P.W. dated the 12th June 1945, as modified by G.O. No. 788 P.H. dated the 15th March 1946, the following Public Health staff was sanctioned for malaria control work (1) in villages within three miles of the Tungabhadra dam construction camp and (2) in 76 Endemic villages round about the Project.

(1) Dam Construction Works:
Two Health Inspectors
Two Peons
Eight Maistries
Thirtytwo coolies

(2) Malaria Control in 76 endemic villages.
Seven Health Inspectors
Seven Peons
Twenty eight Maistries
One hundred and twelve coolies.

2. The above staff has been continued and the present sanction for the same exists upto the 11th June 1948. The Public Works Department working in the Tungabhadra Project area have now taken up the work in the canal area. The length of the canal is about 175 miles. As a number of labour camps in addition to the departmental camps are likely to spring up all along the canal area, the Chief Engineer (Irrigation) has suggested to the Director of Public Health the employment of additional public health staff to attend to malaria control and sanitation work in that area. The Director of Public Health has accordingly proposed that the following additional staff may be sanctioned for the purpose.

(1)	Health Inspectors.	4
(2)	Peons.	4
(3)	Maistries.	12
(4)	Coolies.	108

The question whether the public health staff mentioned in paragraph 1 above cannot attend to the work in the canal area referred to above has been examined and it has been found that the additional staff proposed is quite essential.

3. The proposal involves a recurring expenditure of Rs.51,660 per annum besides Fixed Travelling Allowance. It is proposed to employ the additional staff upto the 11th June 1948 in the first instance, i.e. coterminus with the sanction for the existing staff. The department consider the scheme as one quite essential for the proper running of the administration and as one for introduction in the current year. The proposal satisfied criterion (3) of the instructions issued in the Finance U.O. Note No. 21735-BG-1 dated the 19th Mah 1947. Finance have agreed to the proposal. The Honourable Minister for (Public Health) and the Honourable Minister (Finance) have also agreed to it.

4. The Standing Finance Committee has also approved the proposal. The point for orders is whether the additional staff proposed in paragraph 2 above may be sanctioned.

A.B. SHETTY
Honourable Minister (Public Health).

MEETING OF THE COUNCIL OF MINISTERS HELD AT FORT ST. GEORGE ON SATURDAY the 9th AUGUST 1947.

His Excellency the Governor Presided.

PRESENT:

The Honourable Sri O.P. Ramaswamy Reddiar
